Introduction

The Hiwassee College STUDENT HANDBOOK contains information about services available to students, administrative policies and regulations, and student discipline regulations. The goal of this Handbook is to assist students with questions about student life and to encourage members of the Hiwassee community to make this year one of Great Beginnings.

Changes may be made to the Student Handbook whenever necessary. These changes will take precedence over any published information and will be made available to students in a timely manner. The Student Handbook serves as a general statement of college policy. For further information, contact Student Development Office (Mark Johnson, Dean of Students, 442 -2001 x1877)

Mission and Purpose

Hiwassee College, founded in 1849 and associated with the United Methodist Church, is a liberal arts, residential institution of higher education, providing quality education for all students in an atmosphere that promotes intellectual pursuit, spiritual growth, and social and personal responsibility.

In striving to achieve its purpose, Hiwassee College has the following specific institutional goals:

- A. To provide an integrated, balanced, and sound academic program:
 1. by offering programs of study leading to the associate degree, the baccalaureate degree, or intended for transfer to other institutions;
 2. by offering career/vocational programs of study for direct entry into the job market in the areas of business, industry and the professions;
 3. by offering a variety of continuing education opportunities for personal career/vocational and professional development; and
 4. by offering a program of study and training for church-related vocations.
- B. To promote Christian living through a wholesome spiritual environment:
 1. by providing opportunity for experiences that encourage spiritual growth;
 2. by encouraging service to humanity through church-related vocations and/or volunteer Christian service;

3. by emphasizing to students the values of a Christian family life; and
 4. by stressing the relevance of Christian values and ethics in the work place and in the community.
- C. To encourage students to explore social, cultural, physical and emotional experiences as a part of personal growth and development.
 - D. To give students who qualify the opportunity of securing a college education by providing workships, loans and/or scholarships.
 - E. To encourage an appreciation for democracy and to instill the responsibility of good citizenship.

Biblical Foundations

Hiwassee College was founded in 1849 by Methodists and continues to be a mission of The United Methodist Church. Entwined in this relationship is a commitment to the Biblical and theological tradition of the Wesleyan movement. As a United Methodist institution, Hiwassee College ascribes to and upholds the beliefs and tenets of the Christian faith as practiced by The United Methodist Church. Methodism has its roots as an evangelical renewal movement and a deep commitment to personal and social holiness.

These beliefs are enumerated by the “Articles” of Religion, the *Standard Sermons of John Wesley*, and two historic creeds of the Christian Church: “Apostles’ Creed,” and the “Nicene Creed.” The Restrictive Rules of the Constitution of The United Methodist Church prohibit the revocation, altering, or changing of the *Articles of Religion*, or establishing any new standards or rules of doctrine contrary to the existing and established doctrines.

We affirm the Biblical and theological foundations of The United Methodist Church and commit ourselves to fulfilling the mission and philosophy of education that reflects our foundations.

The Bible: The Bible is the Word of God and contains “all things necessary to salvation.” The Bible is primary, authoritative, and informative in all matters of faith and practice. All Scripture is given by the inspiration of God. “Whatever is not read therein . . . is not to be required” of anyone to believe as an article of faith, or be a requisite necessary to salvation. (Article V)

Creation: God is creator of all. (Genesis 1:1) “All things where made by Him, and without Him was not anything made that was made.” (John 1:3)
“When God created the heavens and the earth, and all that is therein, at the conclusion of each day's work it is said, "And God saw that it was good." Whatever was created was good in its

kind; suited to the end for which it was designed; adapted to promote the good of the whole and the glory of the great Creator.” (Sermons 56: “God’s Approbation of His Works”)

The Trinity: God is a triune, one Being, “ever-lasting, without body or parts, with infinite power, wisdom and goodness; the [Creator] and preserver of all things, visible and invisible.” (Article I).

Each part of the trinity is co-equal and co-eternal. The Trinity is one in essence, nature, power, action, and will. While the traditional names for this threefold nature of God are Father, Son, and Holy Ghost, other titles also are used, such as Creator, Redeemer, and Sustainer.

Father (Creator): God is the Creator and Nurturer of all, the maker of heaven and earth, of all that is seen and unseen. God the Father’s relationship is as a loving Parent with children: wise, just, and merciful. (Article I)

Son (Jesus, Christ, Redeemer, Word): Jesus is the Son of God. He is the Word made flesh, “who lived as a man and died when he was crucified. God raised Jesus from the dead and that the risen Christ lives today. Through Christ, God’s children receive abundant life and forgiveness of sins. Jesus the Christ calls God’s children to pattern our lives after his.” (Article II)

Holy Ghost (Holy Spirit, Sustainer): The Holy Spirit is God with us. The Holy Spirit comforts us when we are in need and convicts us when we stray from God. The Holy Spirit awakens us to God’s will and empowers us to live obediently. The Holy Spirit is “of one substance, majesty and glory with the Father and the Son, very and eternal God.” (Article IV)

Original Sin: Sin is the “corruption of the nature of every [person] that naturally is engendered of the offspring of Adam, whereby [humanity] is very far gone from original righteousness, and of [their] own nature inclined to evil, and that continually.” (Article VII)

Satan: “The devices whereby the subtle god of this world (Satan) labors to destroy the children of God – or at least to torment whom he cannot destroy, to perplex and hinder them in running the race which is set before them – are numberless as the stars of heaven or the sand upon the seashore.” (Sermons 42 “Satan’s Devices”)

Heaven and Hell: “All persons stand under the righteous judgment of Jesus Christ, both now and in the last day. We believe in the resurrection of the dead; the righteous to life eternal and the wicked to endless condemnation.” (Article XII)

Free Will: “The condition of man after the fall of Adam is such that he cannot turn and prepare himself, by his own natural strength and works, to faith, and calling upon God; wherefore we have no power to do good works, pleasant and acceptable to God, without the grace of God by Christ preventing us, that we may have a good will, and working with us, when we have that good will.” (Article VIII)

Redemption: “The offering of Christ, once made, is that perfect redemption, propitiation, and satisfaction for all the sins of the whole world, both original and actual; and there is none other satisfaction for sin but that alone.” (Article XX)

Salvation: Men and women “are accounted righteous before God only for the merit of our Lord and Savior Jesus Christ by faith, and not for our own works or deserving. Wherefore, that we are justified by faith only is a most wholesome doctrine and very full of comfort.” (Article IX)

Sanctification: “Sanctification is that renewal of our fallen nature by the Holy Ghost, received through faith in Jesus Christ, whose blood of atonement cleanseth from all sin; whereby we are not only delivered from the guilt of sin, but are washed from its pollution, saved from its power, and are enabled, through grace, to love God with all our hearts and to walk in his holy commandments blameless.”

Eschatology: We believe Jesus Christ died and was buried and “rose on the third day, from whence He shall come again to judge the quick and the dead.” (Apostle’s Creed)

Ecclesiology and Ecumenism: We believe the church is the visible expression of the body of Christ in this world and is a universal collection of believers serving and worshiping under the banners of different denominations.

Unity amid Diversity: While recognizing differences in the Christian family, we seek a unity of spirit and acceptance within the fellowship of Christ's Church. This attitude reflects the spirit of John Wesley who, despite his very pronounced opinions, was able to say to someone who differed from him, “If your heart is as mine, give me your hand.”

We believe in the **Whole Gospel**, in the connection between the inner life of prayer and the outward life of service. We worship and serve God most authentically when prayer and work, devotion and action, go together.

The Mark of a Methodist: We believe Wesley’s understanding of who is a Methodist: “A Methodist is one who has "the love of God shed abroad in his heart by the Holy Ghost given unto him;" one who "loves the Lord his God with all his heart, and with all his soul, and with all his mind, and with all his strength. God is the joy of his heart, and the desire of his soul.”

John Wesley, “The Character of a Methodist” (1739)

Academic Life

Hiwassee College is a community of persons who have started the Great Beginning in pursuit of truth, supporting academic freedom and academic due process for both students and instructors. Such rights correspond to the responsibility of academic integrity. Students are expected to do their own work on individual assignments and to acknowledge sources.

Instructors are expected to state course expectations clearly, evaluate work fairly and promptly, and deal honestly with intellectual positions.

Any violations of academic integrity weaken our College community, and threaten the very foundations of education.

The Honor Code, as printed in this handbook, defines the College's expectations for academic integrity as well as outlines procedures for dealing with social misconduct. Students are expected to inform themselves regarding these policies and procedures and to fulfill all academic requirements. Questions regarding academic policies may be directed to your academic advisor, the Academic Dean, or the Registrar.

Student Rights and Responsibilities. Students are responsible for learning thoroughly the content of any course, but are free to take exception to the data or views presented and to reserve judgment about matters of opinion. Students have the right to fair evaluation of academic performance and may expect confidentiality and access to personal records.

Students must work independently on tests, quizzes, examinations, or other assignments used in determining a grade, except as indicated by the instructor. Students must state accurately intellectual positions which are used or related in course assignments, and give proper credit to sources of ideas that are not common knowledge, or did not originate with the student. Students must receive permission from both instructors before developing a paper or project for more than one course.

Faculty Rights and Responsibilities. Faculty have a right to academic freedom and fair evaluation of academic performance. Faculty must state basic course requirements and objectives clearly. Each instructor should state the grade scale and procedures for evaluation, create a climate of learning, and evaluate student work in a reasonable period of time, as well as protect against improper disclosure of information about students.

Academic Advising. Every student has been assigned to a faculty advisor. Advisors guide students in selecting classes needed to complete a degree and, as appropriate, upon the course requirements at a senior institution for students who wish to transfer. Students desiring an accelerated course should register for courses with Honors distinction. Students may change advisors by completing the "Faculty Advisor Reassignment Form" and return it to the Registrar's Office.

Class Attendance. Hiwassee College believes that class attendance is an integral part of the learning process. The collegial atmosphere of a classroom enriches the learning experience. Consequently, it is College policy that students attend all classes.

Students may be compelled to miss class for illness, family death, or other reasons. When students are compelled to miss class, they should convey the reason for the absence directly to the instructor (and do so in advance if possible). Students are responsible for all missed work. Any make-up work is at the discretion of the instructor.

The College considers the act of registering for a class to constitute a commitment on the student's part; therefore, any student conduct that is detrimental to the success or satisfactory performance of the student (excessive tardiness, absences, lack of effort, etc.) or any conduct that is detrimental to the class as a whole (disruptive behavior, negative influence on others, etc.) may, at the discretion of the faculty, result in removal of the student from class with a grade of F. The student is guaranteed the right of appeal and should contact the Academic Dean within 24 hours of such action.

Excessive Absences. “Excessive absences” are usually defined as any absence which exceeds the number of hours per week that the course meets. Thus, for a 3-hour course meeting three times per week, missing class four times or more is considered to be “excessive”. For a 3-hour course meeting twice per week, missing class two times or more is considered to be “excessive.”

Each instructor should set forth standards of attendance he/she feels is necessary for the satisfactory conduct of each class. The specifying of the individual teacher’s standards necessitates the following responsibilities:

1. Each instructor is to explain fully his/her standards concerning attendance during the first week of classes. This material should be included in the syllabus.
2. Each instructor is to file a copy of the syllabus with the Academic Dean and Division Chair.
3. Each instructor is expected to keep an accurate record of class attendance for each student.
4. When excessive absences occur, the faculty member should meet with the student to determine the basis for the absences and to explain appropriate disciplinary action that might be taken.
5. If excessive absences continue to occur, the instructor may drop the student from the course with the grade of F.
6. Students may appeal such an action with the Academic Dean.
7. Excessive absences from several or all classes may result in the student being called before the Admissions and Academic Standards Committee, who will review the reasons for the absences, and, if reasons merit, the Committee may elect to suspend the student from school. Students suspended from the College for excessive absences shall receive a grade of “F” on all course work.

Public Programs Attendance. All full-time students are required to attend Public Programs and can count a maximum of two credit hours (associate degree) and four credit hours (baccalaureate degree) for Public Programs toward graduation requirements. A student who is forced by circumstances beyond his/her control to be absent from Public Programs is required to secure permission from the Chaplain. If prior approval is impossible, the absence, if excusable, must be cleared within one week. Students who receive a grade of “F” in Public Programs for one semester are automatically ineligible to receive *institutional* financial aide. Students who fail two semesters shall automatically be dismissed from the College.

Since the grade for Public Programs is based on attendance, unexcused absences necessitate the final grade being lowered one letter. Excessive absences will prevent a student from continuing in College.

No more than 2 absences= A
3 absences= B
4 absences= C
5 absences= D
6 or more absences= F

Change of Schedule (“Drop/Add”). Students may change their academic schedule following registration. The “drop/add” period is outlined in the Academic Catalog. Students should consult their advisor for beginning the process.

Privacy of Student Records. Student records are maintained under the provisions of the Family Educational Rights and Privacy Act of 1974, as amended. See the Academic Dean or Registrar for more details.

Accommodation of Differently-Abled Students. In compliance with the Americans with Disabilities Act, Hiwassee College strives to assist differently-abled students to reach their full potential. As part of this effort, the College stands ready to provide, where possible, special accommodation to students with needs. Students bear responsibility to inform the administration and faculty of the College as soon as possible following the start of each semester of their desire to be considered as “differently-abled” students. Such information shall remain confidential with the administration and faculty of the College. Students also must understand that they will be expected to perform satisfactorily in their academic pursuits and will not simply be passed in their courses because they are differently-abled.

Academic Policies. The *Hiwassee College Catalog* contains the College’s official statement of academic policies and programs.

Christian Life

Hiwassee takes pride in its Christian heritage and United Methodist affiliation. The College believes that growth and development in faith are fundamental to the goals of the Great Beginning that is a Hiwassee education. The College’s mission statement affirms that students are encouraged to grow in faith as well as in knowledge. To that end, the Christian Life program at Hiwassee invites students to join in asking questions, seeking answers, listening carefully, living prayerfully, loving unconditionally, and acting always in hope, all in an atmosphere of fellowship and friendship. Christian Life on Hiwassee’s campus is overseen by the College Chaplain (ext. 1861).

Christian Emphasis Week. Special days are set aside each semester to bring special attention to the place of Christian faith in everyday life.

The Christian Student Movement. The Christian Student Movement (CSM) is the central religious organization on campus. Each student is a member. A leadership council works with the chaplain in implementing the Wednesday evening program, which begins at 8 p.m. Service projects and special events occur throughout the year. The College schedule is cleared each Wednesday evening to make room for student participation. **ALL STUDENTS ARE MEMBERS OF THE CSM BY VIRTUE OF BEING STUDENTS AT HIWASSEE COLLEGE.**

Chapel. Chapel is held on Wednesday mornings at 10 a.m. All full-time students are required to attend Chapel services. These services consist of speakers, drama, music, and films,

which enhance the spiritual growth of students, faculty, and staff. See the information on “Public Programs” under Academic Life below for attendance policies concerning Chapel.

Praise Band. The Hiwassee Praise Band is a student-led musical group. The Praise Band provides worship music for weekly Chapel services. If you play a musical instrument, love to sing, or enjoy operating sound equipment, contact the Chaplain.

Fellowship of Christian Athletes. The Fellowship of Christian Athletes (FCA) is an interdenominational ministry that reaches out to college athletes in order to emphasize the spiritual life of athletes.

Student Conduct

Hiwassee believes that freedom and responsibility are necessary to the life of an intellectual and Christian community. Continued membership in the Hiwassee student body is contingent upon responsible conduct and effective participation in the life and purposes of the institution. Students who violate this privilege or neglect this responsibility are subject to disciplinary action, including suspension or dismissal. Definitions of these penalties and an outline of procedures for appeal are found in the Judicial Affairs section of this handbook. Appropriate procedures are provided for hearings and review and every student has the right of appeal.

The College rejects any interference with the legitimate rights of others, the use of threat or violence, the destruction of property, and the disruption of the normal order of the College. Lying, stealing, cheating, and plagiarism violate the College’s principles.

The College recognizes the right of students to dissent and disagree with the faculty, administrators, and the Board of Trustees. Free exchange of ideas is encouraged and channels of communication are provided for students. Dissent and disagreement must be exercised in an orderly fashion in a way that does not infringe on the rights of others, jeopardize public order or safety or disrupt the normal order of the College. Student conduct which violates these standards will lead to disciplinary action which may include suspension or dismissal. Other persons who violate these standards are subject to legal action.

The College maintains that the use of alcoholic beverages or illicit drugs in no way contributes to our collegial ideals or to the fulfillment of the persons who comprise our academic community. The disruption of human lives and the attendant waste in human and economic resources frequently related to these practices have created serious social problems for our times. The College affirms the historic position of The United Methodist Church and requires its students to abstain from the use of alcoholic beverages and illicit drugs. Both drinking and possession of alcoholic beverages and/or illicit drugs on College property is strictly prohibited. The student who violates this policy is subject to disciplinary action.

Lifestyle Expectations. Hiwassee College seeks to maintain an environment in which Christian education flourishes. This goal includes the promotion of healthy lifestyles that reflect the mission of the College. As such, the College expects students to have wholesome attitudes

and behavior. This behavior includes the décor of their personal lives, including their individual residence hall rooms. Thus, it is against Hiwassee College policy to permit the display of any material that condones or promotes the use of alcohol, or the use of any tobacco product in any fashion. Additionally, this expectation prohibits the display of any nudity, or scantily clad persons on any type of poster or picture. Also, it is against Hiwassee College policy to display any form of art anywhere on campus that could be interpreted as degrading to any person, gender, or race. On certain rare occasions, it may be necessary for the Dean of Students to act on behalf of the College without the normal procedures of due process as outlined in this document. Use of this action will be at the discretion of the Dean of Students and the College President.

Civil Regulations. Students are expected to abide by all federal, state, and local laws. The College reserves the right to take appropriate disciplinary action regardless of or in addition to prosecution by civil authorities.

Offenses Against the College Community. Individual or organizational misconduct will be subject to disciplinary action shall include but not be limited to:

1. Academic misconduct—any act of cheating, plagiarism, or representing another’s work as one’s own, or the aiding of such actions. The minimum sanction shall normally be one semester of probation.
2. Campus sexual misconduct—Hiwassee is a community of trust whose existence depends upon strict adherence to standards of conduct set by its members. Sexual misconduct is a serious violation of these standards and will not be tolerated. Students found guilty of sexual misconduct will normally be dismissed.
3. Sexual harassment policy—Hiwassee is committed to an atmosphere of human dignity in which effective collegial relationships are based on mutual respect. When an individual’s gender or sexuality falls victim to disrespect, the collegial nature is threatened. Sexual harassment will not be tolerated on our campus. Students found guilty of sexual harassment normally will be dismissed.
4. Violation of the visitation policy—a violation of the properly constituted rules for visitation in the residence halls usually shall result in suspension.
5. Conduct dangerous to self or others—conduct which constitutes or may constitute a significant, unreasonable or serious danger or threat to any person’s health or safety. If responsible, the minimum disciplinary action is two semesters of probation.
6. Obstruction of or interference with institutional activities or facilities—intentional interference or obstruction includes but is not limited to unauthorized occupancy of College facilities, intentional interference with any access to an institutional activity, intentional interference or delay of any security officer, fire fighter, or institutional official in the performance of his/her duty. If found responsible, minimum disciplinary action is one semester suspension.
7. Destruction of property—any act of vandalism, malicious or deliberate damage, destruction or defacing of College property (including library materials) will result in two semesters of disciplinary probation and restitution.
8. Theft, misappropriation, misuse or unauthorized sale— any act of theft, misappropriation, unauthorized possession, use, misuse, or sale of other’s property. If found responsible, minimum disciplinary action shall be restitution and one semester suspension.

9. Misuse of documents—any forgery, alteration of or unauthorized use of institutional documents, or withholding of necessary information, in connection with admission, enrollment or status at Hiwassee. If found responsible, minimum disciplinary action is two semesters probation.
10. Firearms, fireworks, and flammable materials— unauthorized possession, ignition, detonation of any object/article which could cause damage by fire, explosion or other means to persons/property or the possession of any such substance. The minimum disciplinary action shall be two semesters of probation or suspension.
11. Alcoholic beverages—sale, transfer, possession, use or drunken behavior
 - a. First violation— minimum one semester probation, \$50 fine, written notification to parents, counseling.
 - b. Second violation—one semester suspension.
12. Drugs—any unlawful possession of and/or use of illegal drugs. If found responsible, minimum disciplinary action shall be one semester suspension. Evidence of substance abuse counseling may be required for readmission.
13. Gambling—unlawful gambling in any form will result in a minimum sanction of official reprimand (written warning).
14. Tampering with fire safety equipment—discharging extinguishers will be assessed a minimum fine of \$350 and placed on disciplinary probation for two semesters.
15. Unacceptable conduct at a hearing—conduct at any College hearing which is contemptuous, disrespectful, and/or disorderly or the giving of false testimony or other evidence. If found responsible, minimum disciplinary action will be two semesters of probation.
16. Failure to cooperate with or abuse of College personnel— failure to comply with directions of College personnel in performance of their duties, including offensive gestures, language, threats, and/or providing false information. If found responsible, minimum disciplinary sanction is one semester probation.
17. Racial/religious discrimination or sexual harassment is deemed disruptive to the community and against the values of the College. If found responsible, minimum disciplinary action shall be the entire range of sanctions and possible referral to local civil authorities.
18. Certain actions will be construed as “egregious acts” against the College community. These acts will merit a minimum disciplinary action of one semester suspension:
 - a. Students found in a member of the opposite sex’s room at a time other than authorized visitation.
 - b. All forms of illegal and illicit sexual behavior by students (whether with other students or with nonstudents).
 - c. Violent acts and threats of violence against any member of the College community.

Sanctions. Minimum disciplinary sanctions applicable for infractions of College regulations are cited here. The purpose of disciplinary assignments is to promote the educational approach to judicial matters within the College community. Sanctions will be assigned when it is believed that students have failed to adhere to the standards and expectations of the College. The Student Judicial Council/Order of the Gowns, the College Judicial Board, and the College Appeals Board are the appropriate authorities for handling sanctions. The Dean of Students has authority to assign sanctions under exigent circumstances (during academic breaks, etc.).

Administrative Suspension. Any student whose conduct endangers or may endanger himself or herself, or the health, safety or rights of other College community members, or is disruptive to the educational process of the College, shall be reported to the College officials and may be immediately suspended from the College and removed from campus. In this event, the Dean of Students or his/her designee shall ensure a subsequent hearing before the Student Judicial Council at the earliest possible time. Readmission to the College may be granted, subject to appropriate conditions, which may include an evaluation and recommendation of medical authorities. Any student who is suspended or expelled from the College will be denied academic credit and/or financial reimbursement of any kind for the academic term in which the suspension is invoked. Suspension from the housing program at Hiwassee for any reason constitutes a forfeiture of room fees.

Personal Property—Search and Seizure. Hiwassee College is not responsible for the loss or damage to personal property.

The College reserves the right:

1. To enter any room (by authorized personnel)
2. To change or cancel room assignments in the interest of health or discipline
3. To levy or collect fines
4. To inspect or search student rooms and their contents for damage and noncompliance with College standards, policies, and the Honor Code.

This right is given to Resident Directors, campus security, and College officials. Advance notice of room entry will be given when the situation is appropriate; however, such notice is not required. Students residing in the room need not be present. Offenses will be dealt with through a hearing before the Student Judicial Council and, in all cases, the student's right to continue living on campus will be seriously jeopardized. Violations of local, state, and federal laws can result in criminal charges.

Judicial Affairs. Hiwassee College Student Government seeks to provide an atmosphere in which intellectual, religious, moral and social growth may take place and thus assist the student toward the Great Beginning that is an Hiwassee education. To this end, our College ensures freedom of inquiry and expression in teaching and learning. Since our community is a teaching-learning process, this freedom depends on appropriate opportunities and conditions in the classroom, on the campus, and throughout our community. Every member of the Hiwassee community has basic responsibilities toward the vision of a Hiwassee education. Students are expected to abide by all the policies in various College publications. It is each student's responsibility to conduct him/herself as a responsible citizen of the College community.

We as a community assume that if each of us follows these expectations, we will protect one another from unfair imposition of penalties and the purposes of the College's Great Beginnings will be more nearly realized.

The Judicial Structure. Cases investigated for Honor Code violations will be presented to the Student Judicial Council. Neither the student nor any additional faculty may serve in any of the judging body's hearings. The President of the Student Government Association shall

appoint a Solicitor General from among the Student Judicial Council for a term of one academic year. The Student Judicial Council has initial jurisdiction over cases where Honor Code violations have occurred. The College Judicial Board has initial appeals jurisdiction over all cases. The Appeals Board shall then hear further appeals.

Penalties. Penalties shall be assigned by the Student Judicial Council, upon advice of the Dean of Students (in cases involving social responsibility) or the Academic Dean (in cases involving academic responsibility). Depending on the seriousness of the offence, the full range of sanctions may be considered in any case. Repeated violations of conduct, even though each violation in itself may not be a serious infraction, may warrant more serious disciplinary action, including suspension or expulsion.

General Student Rights.

1. All students have the right to an impartial hearing before the Student Judicial Council.
2. Any student subpoenaed to participate in any investigative procedure or hearing shall be informed by the Clerk of the proceedings and the general student rights as outlined in this section.
3. The student shall have the right to request and receive a copy of all the rules and procedures governing judicial actions before any judicial body at least 24 hours before the hearing. If a case is appealed, the student shall have the right to receive all pertinent materials, but these materials shall be returned upon completion of the proceedings.
4. No student shall be compelled to give testimony which might tend to incriminate him/her; refusal to do so may not be considered evidence of responsibility.
5. During official hearings, no statements of evidence shall be used against the student unless he/she is advised of their content and unless he/she is given an opportunity to rebut unfavorable inferences.
6. The record of judicial proceeding to each case shall be kept on file no longer than five years but at no time shall such records be made available to unauthorized persons, except under legal compulsion, without the consent of the student.

Residential Life

Throughout its history, Hiwassee College has been a residential campus. The quality of residential life in the dorms depends on the students themselves. Residents must join together in a community that supports the rights and responsibilities of each member. The Student Life staff strives to provide students with a residential environment where they feel safe and comfortable, and where they can learn. Everyone plays a role in fostering such an environment. Each semester, staff will offer hall programs for residents to help build this environment. Please take time to read this section, as it will answer many of your questions, stating policies you will be required to know and follow. Refer to the *College Catalog* and Housing Contract for additional information. Resident Advisors are here to serve as valuable resources to assist you.

Student Life Staff. Supervision of residence halls at Hiwassee is the responsibility of the Student Development Office. This office is found in the Barker Learning Center. Staff members include the Resident Directors, Resident Assistants, and Residence Hall Associations.

Community Covenant. As an integral part of the Hiwassee community, students living in residence halls are expected to be courteous to one another. Students will be held accountable for their actions and can face College sanctions for inappropriate behavior. The Community Covenant is the residential expression of the Honor Code. Students will signify support for the Community Covenant in signing the Honor Code each year.

General Regulations. The following policies and regulations apply to residence hall living and are applicable to both residents and their guests. The purpose of these policies is to ensure the safety and comfort of residents in the halls and to protect College property. The College reserves the right to change policies and such changes will be announced by the appropriate official as soon as possible after the change.

1. Every residential student is required to participate in the College meal plan. The Dean of Students will review individual requests for special needs.
2. The College is not liable for property that may be damaged, destroyed, stolen, or lost while on College property. It is the student's responsibility to insure his/her personal property. Check with your parents' home insurance agent.
3. Each resident student living in College housing will be issued a room key. If a student loses a room key, he or she will be charged the cost of the replacement and a new key will be available from the Dean of Students. These keys may not be duplicated.
4. Each room is provided with a bed, window dressing, drawers, desk, and chair. Students may bring extra furniture as long as they do not crowd the room. Any removal of College property or repairs must be approved by the Resident Director.

Damage to common areas of residence halls, not attributed to an individual or responsible group, will be divided among the residents at the end of the semester. At the time of the referral, the student will be assured of the strictest confidentiality, except in cases where the campus coordinator feels the student is at risk of harming self or others. The student will be informed that a threat of harm is information that cannot and must not be kept confidential. If at any time a student is at risk of harming self or others, it is the responsibility of the professional counselor to notify the campus coordinator. A conference will be called immediately between the counselor, the campus coordinator, and the Dean of Students to determine the seriousness of the situation and what immediate action must be taken in the best interests of the student and Hiwassee College. Any action that occurs on an individual's account or workstation is the responsibility of that individual. All students, faculty, and staff are responsible for seeing that these information systems are used in an effective, efficient, ethical, and lawful manner.

HCNet is a privilege and may be revoked at anytime. It is provided as a resource to the Hiwassee College community. HCNet is restricted to authorized users, which is defined as an individual who has been assigned an ID and password by the Information and Instructional Technology Department or by any agent authorized by the Network Administrator. The use of HCNet may be revoked at anytime, with or without notice, for misuse, abuse, or vandalism. This policy is extended to networks and resources outside the College that access HCNet via the Internet. Network or resource providers outside the College may, in turn, impose additional conditions of appropriate use which the user should observe when using those resources. Residence Halls and other buildings on campus offer wireless access to HCNet. Students must provide their own computers and wireless Internet cards.

The President is assisted by a group of cabinet officers. The legislative branch is composed of the College Senate. The College Senate is responsible for passing all legislation necessary for the operation of the Student Government. The Senate will meet monthly and all meetings will be open to the public. The judicial branch is bicameral – composed of the Student Judicial Council and the Order of the Gowns.

All students have access to the decision-making process through the selection of Senators. Each body on campus will have a representative on the Senate, as well as class officers who are elected early in the fall semester.

The Student Government Constitution and other important documents can be found elsewhere in this handbook. They are the official documents of Student Government and point out opportunities for involvement. If you desire to be a Senator or other elected officer, see the Student Government President or the Dean of Students.

Appendix A: Honor Code

Under the Hiwassee College Honor Code, students affirm their commitment not to lie, cheat, or steal, nor to accept the actions of those who do. Thus, a student with direct knowledge of a potential case of academic dishonesty is required to:

1. Provide a signed written statement of the observed behavior to the appropriate faculty member and/or the Academic Dean's office within one week of the alleged occurrence (in the case of social misbehavior, a signed written statement is provided to the Dean of Students or one of the Solicitor Generals); and
2. Provide the name or identity of the person(s) alleged to have committed the violation.

The observing student is encouraged first to converse with the person(s) alleged to have committed the violation(s) for at least two reasons: (1) to correct any misassumption about the alleged act(s), and (2) to let the accused student(s) know that the situation is being reported so that the accused student might self-report as well.

Students who do not knowingly fulfill this obligation are themselves subject to sanctions. The Hiwassee College Honor Code expresses a standard of behavior – a set of expectations for our students, faculty, and staff. All students are required to sign a pledge each year to adhere to these principles and to conduct themselves in accordance with these values. The specific policies, or rules and regulations of the College, define the conduct for which students will be held accountable.

Initial Procedures. If a student observes another student violating the Honor Code, the observer should:

1. Converse with the student who violated the Honor Code and request that the student turn him/herself in to the appropriate Solicitor General. In cases of voluntary confession, the defendant may receive a more lenient sentence.
2. If the defendant does not turn him/herself in, the observer should inform the appropriate authority of the Honor Code violation. In academic cases, the observer should inform the instructor/Academic Dean. In student life cases, the observer should contact the appropriate Solicitor General. In such cases, the defendant may receive a stricter penalty.
3. If a faculty/staff member observes the violation, s/he should inform the appropriate Dean in writing.

Investigation. The Dean of Students and/or Solicitor General of either the Student Judicial Council (in social matters) or of the Order of the Gowns (in academic matters) will serve as the chief investigator. The chief investigator will investigate the allegations. At this point, the Student Judicial Council Clerk or Clerk of the Order of the Gowns will alert the student of the charge(s) and the student may select an advocate from among the Hiwassee community. After evidence is gathered, the appropriate Solicitor General shall present this material to the Student Judicial Council or Order of the Gowns. That body will assess the evidence to determine whether the student is responsible and what sanctions should be imposed. In the event the judging body finds insufficient evidence to support the charge(s), the case shall be closed. No notation will be entered into the accused student's record. If the judging body decides responsibility, sanctions will be imposed. Students have the right to appeal any decisions of responsibility to the College Judicial Board and the Appeals Board, and ultimately to the College President.

Hearing. Generally, no hearing shall take place during exam week. In certain cases, however, the appropriate Solicitor General can make an exception, after consultation with the Dean of Students.

Part I. Hearing of the Case

At the hearing, the accused student retains rights commonly held for Hiwassee College members. Witnesses may be questioned only by members of the judging body. The hearing will proceed in the following order:

1. Case against the accused—The Solicitor General will present the results of the investigation, including evidence from witnesses.
2. Defendant's case—The accused student will present his/her evidence and witnesses.
3. Final statement—After all witnesses have spoken and been questioned, the accused student may make a final statement.

Part II. Deliberation/Verdict

At this point, the accused student and advocate will leave the room. In confidential session, the judging body will make a decision through a majority vote based upon the standard of "preponderance of the evidence." Preponderance of the evidence means that it is more likely that it did happen than it is likely it did not happen. Upon reaching a decision of responsible or not-responsible, the Chair of the Student Judicial Council (or President of the Order of the Gowns) will call the involved parties back into the room and announce the decision. The

Solicitor General will issue the verdict to the accused in writing as soon as possible following the hearing.

Part III. Sanctioning

Before passing sentence, the judging body will:

1. learn from the Solicitor General of any prior academic or social violations committed by the accused student;
2. hear the final statement of the accused student, if the student so chooses;
3. hear a final statement from the Solicitor General, if the Solicitor General chooses.

Part IV. Penalties

The minimum penalty for an academic violation of the Honor Code will be one semester of academic probation; the maximum penalty will be permanent expulsion from Hiwassee College. The minimum penalty for a social violation of the Honor Code shall follow the section on student conduct. Generally, no hearing will take place during exam week

Part V. Appeals

The appeal must be in writing and submitted within two academic days after being informed of the verdict to the Dean of Students and the Judicial Board/Appeals Board. Appeals can be based upon: (a) violation of hearing procedures; (b) violation of the accused student's rights; (c) excessive penalty; and/or (d) introduction of significant new evidence that was not available at the original hearing before the judging body. Mere dissatisfaction with the finding or sanctions is not sufficient grounds for an appeal. Within four days of receiving the appeal, the Dean of Students must notify the student of one of the following decisions:

1. The Judicial Board/Appeals Board finds no grounds for appeal and the appeal is therefore denied.
2. The Board has granted an appeal.

If the Board rules on an appeal, it may:

1. Overturn the finding of responsibility by the judging body;
2. Uphold the finding of responsibility and keep/reduce the sanction;
3. Not increase sanctions.

Appendix B: Sexual Harassment Policy

Hiwassee College affirms the principle that all persons have the right to be free of discrimination from any member of the College community. Sexual harassment is any attempt to coerce an unwilling person into a sexual relationship, or to subject a person to unwanted sexual attention, or to punish a refusal to comply, or to create a sexually intimidating, hostile, or offensive working/educational environment. This may include a wide variety of behaviors – from actual coercion to the unwelcome emphasizing of sexual identity. This definition will be

consistently interpreted and applied with acceptable standards of mature behavior, academic freedom, and freedom of expression.

In any form, sexual harassment is reprehensible. It is particularly damaging to an academic environment like that of Hiwassee. When authority and power (like that between faculty and student) is abused in any way, damage to the student and the College environment occur.

Individuals who believe they have been sexually harassed may obtain redress through established informal and formal procedures of the College. Complaints will receive prompt and equitable attention. The rights of confidentiality will be respected, to the extents possible. The Academic Dean or Dean of Students are both available for advice on the procedures.

Hazing Policy. Hiwassee Collge prohibits recognized fraternities, sororities, athletic teams, other recognized student organizations, persons or groups using College facilities, and individuals who are members of any such groups or organizations or who attend events or activities sponsored, organized or supported in any way by those organizations, from hazing members, prospective members or other persons seeking to obtain benefits for services from any of those organizations.

Hazing is any action or activity, whether conducted on or off College property, which is designed to, or has the reasonably foreseeable effect of humiliating, denigrating, offending, physically or mentally abusing or exposing to danger a person as a condition, directly or indirectly, of the person's consideration or, continuation in, admission to membership in, participation in activities of, receipt of benefits or services from an organization or group. No persons may consent to participation in hazing activities. Further, a person's consent shall not release or minimize an organization's or person's liability to discipline due to violation of this regulation.

Hazing activities include, but are not limited to the following activities: Whipping, beating, paddling, branding, calisthenics, running, exposure to the elements, forced consumption of food, liquor, or drugs (legal or illegal), or any other substances, sleep deprivation, forced exclusion from social contact, conduct which could result in any form of embarrassment, nudity, coerced sexual harassment, kidnapping, or car drops, when conducted in a prohibited manner as defined above.

Recognized student organizations have an obligation to protect the welfare of their prospective and initiated members, guests and the College during initiation activities. Every precaution must be taken to protect against College, individual and organizational liability.

Violation of this regulation shall subject a group or individual to the full range of disciplinary sanctions pursuant to College disciplinary processes and/or debarment from use of College facilities. Student governing bodies with jurisdiction over recognized student organizations, may establish self-regulation procedures with respect to complaints of violations of this regulation brought against their members. Such processes shall be independent of College disciplinary processes.

Appendix C: Inclement Weather Policy

Due to the residential nature of our campus community, Hiwassee College rarely alters its class schedule because of inclement weather. However, when poor weather conditions exist, the College will follow these procedures:

1. An announcement of any alteration/cancellation of the class schedule will be made on local television stations as well as WIVK (107.7 FM). Decisions will not normally be announced before 7 a.m.
2. If Hiwassee College is open, but local schools are closed, the faculty will be understanding of conditions affecting commuter students.

Appendix D: Traffic Regulations

Vehicle registration and traffic regulations at Hiwassee are necessary to ensure safety and order on campus and to provide supervision and management of the parking facilities. Vehicle registration and traffic regulations are administered through the Dean of Students' Office.

Hiwassee College is a "walking campus." Students may move freely by walkways to buildings. Once on campus, one has little need for an automobile, except for off-campus trips.

Motor Vehicle Policy. The policy applies equally to students and to faculty/staff while operating a vehicle on the College campus.

1. Every vehicle must have a current parking permit displayed on the rear view mirror of the vehicle. Permits are valid from the fall term to the end of the summer term.
2. Every vehicle must be registered in the Office of Student Development before the vehicle may be operated on campus.
3. Resident students must park in the residence hall lots only. Residents may not park in other lots on campus until 2 p.m. or later.
4. Parking is not allowed on any of the roadways that go around the Gym or the drive-walkway in front of the Gym. No parking is allowed on the grass at any time.

Appendix E: Student Identification Cards

Student identification cards are made during registration week, and at other times, in the Student Development Office. If a card has been lost, the student should go as soon as possible to the Student Development Office for a new card; a charge will apply for a new card.

Appendix F: Safety and Security

Campus Security officers are College employees who report to the Dean of Students. These officers have jurisdiction on the main campus and on all College property. The major responsibility of the officers is to give attention to every situation which might involve the safety and welfare of students and faculty. When there are infractions of federal, state and local laws and/or College regulations, the security officer is authorized to take appropriate action.

The College reserves the right to contact a student's parent(s) or guardian(s) in the event of any accident, illness, or mental distress—or for disruptive behavior.

A student is urged to report to the appropriate College official any incident which may threaten his or her person or cause damage/loss of property. Campus security has jurisdictional authority. College academic buildings are locked at night, on weekends, and on school holidays. For the purpose of fire safety, there is no smoking in any building on campus.
